Level	Module	Section	Topic	Subtopic UID	Time	Planned Dates Act
Foundation	Introduction	Program Overview	Program Details	Course Overview	10	
Foundation	Introduction	Overview of Fullstack Development	Definition of fullstack development	Introduction to Fullstack Development	15	
Foundation	Introduction	Overview of Fullstack Development	Role of a fullstack developer	History and Evolution	10	
Foundation	Introduction	Overview of Fullstack Development	Fullstack development lifecycle	Key Concepts and Terminology	15	
Foundation	Introduction	Overview of Fullstack Development	Current trends in fullstack development	Comparing Fullstack with Specialized Roles	15	
Foundation	Introduction	Frontend vs Backend	Frontend technologies overview (HTML, CSS, JavaScript)	Diff btw webtech	10	4/8/2025
Foundation	Introduction	Frontend vs Backend	Backend technologies overview	mern/django/java	15	
Foundation	Introduction	Frontend vs Backend	Difference between frontend and backend development	routes to backend api through frontend	20	
Foundation	Introduction	Frontend vs Backend	Fullstack integration concepts	Fullstack integration concepts	10	
Foundation	Introduction	Development Environment Setup	Installing Python and necessary tools	Installing Python and necessary tools	20	
Foundation	Introduction	Development Environment Setup	Setting up a code editor (e.g., VS Code)	Setting up a code editor (e.g., VS Code)	20	
Foundation	Introduction	Development Environment Setup	Introduction to virtual environments	Introduction to virtual environments	20	
Foundation	Introduction	Development Environment Setup	Basic command line usage for developers	Basic command line usage for developers	20	
Foundation	Frontend Foundations	Web Development Basics	Internet and web architecture	Internet and web architecture	15	
Foundation	Frontend Foundations	Web Development Basics	Client-server model	Client-server model	15	
Foundation	Frontend Foundations	Web Development Basics	HTTP protocol basics	HTTP protocol basics	20	
Foundation	Frontend Foundations	Web Development Basics	Web browsers and how they work	Web browsers and how they work	15	
Foundation Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals	HTML structure and syntax	HTML structure and history	25	
Foundation Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals HTML5 Fundamentals	HTML elements tags	HTML elements basics	30	
Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals HTML5 Fundamentals	HTML structure and syntax Common HTML tags and elements	Basics tags <p> / > <h1> Common HTML tags and elements</h1></p>	30 30	
Foundation	Frontend Foundations	HTML5 Fundamentals	Html Table tags		30	
Foundation	Frontend Foundations	HTML5 Fundamentals	Common HTML tags and elements	Tables tags from its bases list types and order and unorder list and description	35	
Foundation Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals HTML5 Fundamentals	Semantic HTML	Theory about semantic tags	35	
Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals			35	
Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals HTML5 Fundamentals	footer tags vs navbar Typed of inputs	Nav tags footer tags seprated html5 tags brief about Forms and input types	35	
Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals	Forms and input types	Forms and input types	35	
Foundation	Frontend Foundations	HTML5 Fundamentals	HTML5 features and APIs	HTML5 features and APIs in canvas history	30	
Foundation	Frontend Foundations Frontend Foundations	HTML5 Fundamentals	Multimedia elements (audio, video)	Multimedia elements (audio, video) and its use cas	35	
Foundation	Frontend Foundations	HTML5 Fundamentals	HTML5 APIs (Canvas, Geolocation, Web Storage)	HTML5 APIs (Canvas, Geolocation, Web Storage)	35	
Foundation	Frontend Foundations	HTML5 Fundamentals	Iframe tags in html	HTML LINKEDIn tags and iframetags for Youtube	35	
Foundation	Frontend Foundations	Html5 project wiki	Html ending project	Project hands on	50	
Foundation	Frontend Foundations	CSS3	CSS Syntax, selectors	Types of selectors in css compare in css 1,2,3	40	
Foundation	Frontend Foundations	CSS3	id selector	id attribute selector	40	
Foundation	Frontend Foundations	CSS3	class selector and universal selectors	id attribute selector	40	
Foundation	Frontend Foundations	C222	Box model and layout	Real life Box model	40	
Foundation	Frontend Foundations	C222	Button using boxmodel	Margin vs padding diff	40	
Foundation	Frontend Foundations	CSS	types inside boxmodel	Rorder vs content	40	
Foundation	Frontend Foundations	CSS3	PSUEDO ELEMENTS	types of psuedo elements all types	60	
Foundation	Frontend Foundations	CSS3	PSUEDO CLASSES	TYPES OF psuedo classes	40	
Foundation	Frontend Foundations	CSS3	Using Psuedo hover	hover,link and active tags examples	35	
Foundation	Frontend Foundations	CSS3	Making amazon button	hover example code practice	20	
Foundation	Frontend Foundations	CSS3	Css flot properties	css float task with explaination	35	
Foundation	Frontend Foundations	CSS3	Css positions	css positions	30	
Foundation	Frontend Foundations	CSS3	real world static pages	static vs relative	30	
Foundation	Frontend Foundations	CSS3	relative points vs absolute	using of relative and absolute realtime practice	40	
Foundation	Frontend Foundations	CSS3	Fixed position	fixed example	40	8/25/2025
Foundation	Frontend Foundations	CSS3	sticky position vs Fixed	sticky navbar amazon clone	40	
Foundation	Frontend Foundations	CSS3	Css z-index	zindex example	30	
Foundation	Frontend Foundations	CSS3	css overflow	Overflow examples in any conditions	35	
Foundation	Frontend Foundations	CSS3	real world usecases of overflow	overflow examples terms and conditions	35	
Foundation	Frontend Foundations	CSS3	css display properties	display inline and block level elements	35	
Foundation	Frontend Foundations	CSS3	Responsive design and media queries	media queries	30	8/26/2025
Foundation	Frontend Foundations	CSS3	CSS animations and transitions	keyframes in animations	25	8/28/2025
Foundation	Frontend Foundations	Bootstrap	Bootstrap Containers and Grid Systems	Grids and flex	40	8/28/2025
Foundation	Frontend Foundations	Bootstrap	Bootstrap Tables and Images	images and md values	30	8/29/2025
Foundation	Frontend Foundations	Bootstrap	Bootstrap Progress bar, Nav bar and pagination	components	50	8/29/2025
Foundation	Frontend Foundations	Bootstrap	Bootstrap form layouts and Carousel	layouts	50	8/30/2025
Foundation	Frontend Foundations	Bootstrap	Bootstrap Project - Themes Intro	mdb intro and use cases	40	8/30/2025
Foundation	Frontend Foundations	Bootstrap	single page project combinantion html css	Project hands on	70	8/30/2025
Foundation	Frontend Foundations	Javascript Fundamentals	Livescript	Introduction javascript	30	8/30/2025
Foundation	Frontend Foundations	Javascript Fundamentals	Modules diff btw java and javasvript	java vs javascript	30	
Foundation	Frontend Foundations	Javascript Fundamentals	JavaScript syntax	Introduction javascript	30	
Foundation	Frontend Foundations	Javascript Fundamentals	live script	Java vs live script	40	
Foundation	Frontend Foundations	Javascript Fundamentals	JavaScript syntax	compiler vs interpreter in usecases	30	
Foundation	Frontend Foundations	Javascript Fundamentals	Dailog boxes	alert in real world cases	30	
Foundation	Frontend Foundations	Javascript Fundamentals	simple alerts in website	alert vs prompt	30	
Foundation	Frontend Foundations	Javascript Fundamentals	Data Types	types of data types	40	
Foundation	Frontend Foundations	Javascript Fundamentals	primitve vs non primitive	primitve data types, non primitive	40	
Foundation	Frontend Foundations	Javascript Fundamentals	variables	types variables in js	40	
Foundation	Frontend Foundations	Javascript Fundamentals	es6 variables	let vs var vs const scope variables	30	
Foundation	Frontend Foundations	Javascript Fundamentals	Operators	types of operators in js	40	
Foundation Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals	and control structures	statements in js	30	
Foundation Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals Javascript Fundamentals	Functions and scope arrow vs old age functions	Function types in es concepts types of functions	35 35	
Foundation Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals Javascript Fundamentals	DOM manipulation dom text content methods	dom types elements by id and query selectors textcontent vs innerhtml	55 40	9/6/2025 9/6/2025
Foundation Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals Javascript Fundamentals	dom text content methods Event Handling, Error handling and debugging	textcontent vs innerhtml types of events onclick eventsetc	40 50	
Foundation Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals Javascript Fundamentals	event listeners in js JavaScript ES6+ features (let, const, arrow functions)	types of event listeners live vs ecma script	50 40	
Foundation	Frontend Foundations Frontend Foundations	Javascript Fundamentals Javascript Fundamentals	Javascript ES6+ features (let, const, arrow functions) ECMA	what is es6 and ecma models	40	
Foundation	Frontend Foundations	Modern JavaScript and ES6+	Arrow functions	types of functions	30	
Foundation	Frontend Foundations	Modern JavaScript and ES6+	Destructuring and spread operator	arrays using spread operators	30	
Foundation	Frontend Foundations Frontend Foundations	Modern JavaScript and ES6+	Promises and async/await	promise events	40	
Foundation	Frontend Foundations	Modern JavaScript and ES6+	callback hell	most interviewed q/a callback hell	40	9/11/2025
Foundation	Frontend Foundations	Modern JavaScript and ES6+	Modules and import/export	Modules and import/export	40	
Foundation	Frontend Foundations	Modern JavaScript and ES6+	Template literals	Template literals	30	
Foundation	Frontend Foundations	Modern JavaScript and ES6+	Classes and inheritance	Classes and inheritance	40
